PowerGard™ Protection Plan:

Extended warranty protection for John Deere Electric Drive Planters

JOHN DEERE

Buy with confidence and peace of mind

Now you can purchase new John Deere electric drive planters with more confidence than ever. The PowerGard Protection Plan offers valuable extended warranty coverage to protect your unit from the unexpected and ensure it's ready when you need it.

The Electric Drive Planter PowerGard Protection Plan[1] is available for all new electric drive planters when purchased during the initial 12-month basic warranty.

What does the PowerGard Protection Plan cover?

Main components of electric drive planters are covered and include either factory-installed or Genuine John Deere parts. **PowerGard Protection Plan is available on MY22 electric drive planters and newer.**

What coverage terms are available for new electric drive planters?

Providing coverage for manufacturing defects in material and workmanship, all PowerGard Protection Plans for new, in-warranty units[2] include the underlying basic warranty terms and can be extended to the maximum coverage terms as noted in chart below:

Choose your terms

Select from three flexible term lengths in total months. Choose the terms that fit your individual needs, depending on how long you plan to own your electric drive planters.

Low-priced deductibles

Dependent on the plan you choose, deductibles are just $250 or $500 per work order.

No pre-approval of claims necessary

Call or visit any authorized John Deere dealership for service.

Repaired with genuine John Deere parts

Expert dealer technicians will fix it right, with exactly the right John Deere parts to fit your machine.

Increase the value of your electric drive planters when you sell or trade

Any remaining PowerGard coverage is fully transferable to a new owner, with no transfer fee.
