PowerGard™ Protection Plan:

Extended warranty protection for John Deere round balers

Buy with confidence and peace of mind

Now you can purchase new John Deere round balers with more confidence than ever. The PowerGard Protection Plan offers valuable extended warranty coverage to protect your baler from the unexpected — and ensure it's ready when you need it.

The Round Baler PowerGard Protection Plan[1] is available for all new round balers when purchased during the initial 12-month basic warranty.

What does the PowerGard Protection Plan cover?

The comprehensive plan covers manufacturing defects in material and workmanship (excluding wear components). All PowerGard Protection Plans for new, in-warranty round baler units[2] include the underlying basic warranty terms and can be extended to the maximum coverage terms.

Choose your terms

Select from 23 flexible term lengths in total months from delivery (see chart below). Choose the terms that fit your individual needs, depending on how long you plan to own or finance your round baler.

Low-priced deductibles

Dependent on the plan you choose, deductibles are just $250 per work order.

No pre-approval of claims necessary

Call or visit any authorized John Deere dealership for service.

Repaired with Genuine John Deere parts

Expert dealer technicians will fix it right, with exactly the right John Deere parts to fit your machine.

Increase the value of your round baler when you sell or trade

Any remaining PowerGard coverage is fully transferable to a new owner, with no transfer fee.
