PowerGard™ Protection Plan

Extended warranty protection for John Deere combines

JOHN DEERE

Buy with confidence and peace of mind

Now you can purchase a new or pre-owned John Deere combine with more confidence than ever. The PowerGard Protection Plan offers valuable extended warranty coverage to protect you from unforeseen future repair bills and to help you increase overall uptime.

PowerGard offers flexible coverage options for all new John Deere combines, while PowerGard Certified is available for pre-owned John Deere combines.

Choose the extended coverage plan that you prefer:

Comprehensive:*

For main components of the full machine.

Limited:*

For main components of the engine and powertrain.

Pre-Owned/Used PowerGard™:*

Provides comprehensive or limited coverage for out-of-warranty, customer-owned machines or dealer inventory.

Choose your terms

Select from a variety of flexible term lengths, in total months and total hours. Choose the terms that fit your individual needs, depending on how long you plan to own your combine and your estimated annual usage hours.

No pre-approval of claims necessary

Call or visit any authorized John Deere dealership for service.

Repaired with genuine John Deere parts

We'll fix it right, using only OEM parts.

Increase the value of your combine when you sell or trade

Any remaining PowerGard coverage is fully transferable to a new owner, with no transfer fee.

* The PowerGard Protection Plan (Comprehensive, Limited, or Used) does not cover headers, attachments, maintenance or high-wear items, nor other non-covered components specifically mentioned in the contract terms. See the PowerGard Protection Plan contract for details, exclusions, and limitations.

PowerGard™ Protection Plan

Extended warranty protection for John Deere combines

JOHN DEERE

Which combines qualify for the PowerGard Protection Plan?

New combines: All new John Deere combines qualify. When you buy a new combine, you can purchase a PowerGard Plan anytime from the date of delivery up to six months or 250 engine hours, for the lowest possible price. After this interval, you can purchase PowerGard Protection for your combine as long as it is within the factory warranty or has a PowerGard warranty on it (up to the maximum PowerGard plan option).

Pre-Owned/Used: PowerGard plans are available for pre-owned/used combines up to 10 years old and with less than 2,000 hours. Prior to purchasing a PowerGard pre-owned/used plan, combines must pass a 100-plus point inspection and fluid analysis.[1]

What does the PowerGard Protection Plan cover?[2]

Comprehensive coverage: Main components of the full machine are covered. PowerGard does not cover maintenance or high-wear parts nor components in the crop path.

Limited coverage: Main components of the engine and powertrain (plus the cylinder drive gearcase, the reverser gearcase, and all parts contained inside these components) are covered for mechanical breakdown caused by a defective covered component, due to faulty materials, or original workmanship.

What will my deductible be?

Deductible options remain consistent across coverage types, with choices from $250 to $5,000 — giving you flexibility to match risk tolerance and plan cost to your operation.

What coverage terms are available for new combines?

All PowerGard Protection Plans for new, in-warranty units[3] include the underlying basic warranty terms and can be extended to the following maximum coverage terms:

What coverage terms are available for pre-owned combines?

All PowerGard Protection Plans for pre-owned/used units[5] can be extended to the following maximum terms:

Comprehensive (Full Machine) or Limited (Engine & Powertrain) Terms for PowerGard Certified Used Units							
Total Months	12	12	24	24	36	36	36
Total Hours	250	500	500	1000	750	1,000	1,500

1. Not required on machines under five years old and 1,500 hours
2. Maintenance and high-wear items are excluded on all PowerGard Protection Plan coverage forms, in addition to specifically excluded parts or components. Always check the actual PowerGard Protection Plan contract for details, exclusions and limitations.
3. All new John Deere combines come with a standard basic warranty of: 12 months/unlimited hours – full machine; and 24 months/2,000 hours – engine (only) coverage.
4. Engine coverage is provided by the John Deere basic engine warranty out to 24 months or 2,000 hours, regardless of the PowerGard Protection Plan purchased (Limited or Comprehensive).
5. To be eligible for PowerGard, pre-owned combines must be PowerGard Certified prior to the sale; be less than ten years from the original dealership invoice and have less than 2,000 engine hours.
