Pre-Owned/Used PowerGard™:*

Provides comprehensive or limited coverage for out-of-warranty, customer-owned machines or dealer inventory.

Choose your terms

Select from a variety of flexible term lengths, in total months and total hours. Choose the terms that fit your individual needs, depending on how long you plan to own your cotton harvester and your estimated annual usage hours.

No pre-approval of claims necessary

Call or visit any authorized John Deere dealership for service.

Repaired with genuine John Deere parts

We'll fix it right, using only OEM parts.

Increase the value of your cotton harvester when you sell or trade

Any remaining PowerGard coverage is fully transferable to a new owner, with no transfer fee.

Finance at time of machine purchase

PowerGard can be financed along with the purchase of the machine.

Purchase plan at a later date

Options available to add PowerGard after initial machine purchase.

* The PowerGard Protection Plan (Comprehensive, Limited, or Used) does not cover attachments, maintenance, or high-wear items, nor other non-covered components specifically mentioned in the contract terms.

PowerGard™ Protection Plan

Extended warranty protection for John Deere cotton harvesters

JOHN DEERE

Which cotton harvesters qualify for the PowerGard Protection Plan?

New cotton harvesters: All new John Deere cotton pickers and strippers qualify. When you buy a new cotton picker or stripper, you can purchase a PowerGard Plan anytime from the date of delivery up to six months or 250 engine hours, for the lowest possible price. After this interval, you can purchase PowerGard Protection anytime up to 12 months or 1,000 engine hours from the date of delivery, for a surcharged rate.

Pre-Owned/Used: PowerGard plans are available for pre-owned/used cotton harvesters up to seven years old and with less than 2,000 hours. Prior to purchasing a PowerGard pre-owned/used plan, cotton harvesters must pass a 100-plus point inspection and fluid analysis.[1]

(Pre-owned cotton pickers and strippers that are PowerGard Certified by your local John Deere dealer have been thoroughly inspected with a 100+ point check of all main components and have passed detailed fluid testing and analyses.)

What does the PowerGard Protection Plan cover?[2]

Both comprehensive and limited plans cover mechanical breakdown caused by a defective covered component, due to faulty materials, or original workmanship.

Comprehensive coverage:
Main components of the full machine are covered.[3]

Limited coverage:
Main components of the engine and powertrain are covered. The unit-drive hydrostatic pump and the unit-drive hydraulic motor are also covered.

Is there a deductible fee?

All PowerGard Plans for cotton harvesters, regardless of coverage terms, have the same deductible of $500 per work order.

What coverage terms are available for new cotton harvesters?

All PowerGard Protection Plans for new, in-warranty units include the underlying basic warranty terms[4] and can be extended to the following maximum coverage terms:

Comprehensive Coverage (Full Machine) Terms for New Units							
Total Months	24	24	24	36	36	36	36
