PowerGard™ Protection Plan

Extended warranty protection for John Deere forage harvesters and windrowers

JOHN DEERE

Buy with confidence and peace of mind

Now you can purchase a new John Deere self-propelled forage harvester or windrower with more confidence than ever. The PowerGard Protection Plan offers valuable extended warranty coverage to protect you from unforeseen future repair bills and to help you increase overall uptime.

PowerGard offers flexible coverage for new, pre-owned, or customer-owned John Deere forage harvesters and windrowers that are PowerGard certified.

Choose the extended coverage plan that you prefer:

Comprehensive:*

For main components of the full machine.

Limited:*

For main components of the engine and powertrain.

Pre-Owned/Used PowerGard™:*

Provides comprehensive or limited coverage for out-of-warranty, customer-owned machines or dealer inventory.

Choose your terms

Select from a variety of flexible term lengths, in total months and total hours. Choose the terms that fit your individual needs, depending on how long you plan to own your equipment and your estimated annual usage hours.

No pre-approval of claims necessary

Call or visit any authorized John Deere dealership for service.

Repaired with genuine John Deere parts

We'll fix it right, using only OEM parts.

Increase the value of your forage harvester/windrower when you sell or trade

Any remaining PowerGard coverage is fully transferable to a new owner, with no transfer fee.

Finance at time of machine purchase

PowerGard can be financed along with the purchase of the machine.

Purchase plan at a later date

Options available to add PowerGard after initial machine purchase.

* The PowerGard Protection Plan (Comprehensive, Limited, or Used) does not cover headers, attachments, maintenance or high-wear items, nor other non-covered components specifically mentioned in the contract terms. See the PowerGard Protection Plan contract for details, exclusions, and limitations.

PowerGard™ Protection Plan

Extended warranty protection for John Deere forage harvesters and windrowers

JOHN DEERE

Which forage harvesters and windrowers qualify for the PowerGard Protection Plan?

New forage harvesters and windrowers: All new John Deere self-propelled forage harvesters and windrowers qualify. When you buy a new machine, you can purchase a PowerGard Plan anytime from the date of delivery up to six month or 250 engine hours, for the lowest possible price. After this interval, you can purchase PowerGard Protection anytime up to 12 months or 1,000 engine hours after the start of the John Deere basic warranty, for a surcharged rate.

Pre-Owned/Used: If you want to buy a Pre-Owned/Used PowerGard Protection Plan for your current machine (or for a used unit purchased at a dealer), you can do so at any time. To be eligible for a Used plan, customer owned SPFH/windrowers must be under seven years old, have less than 2,000 hours, and pass an inspection and fluid analysis.[1]

(Pre-owned machines that are PowerGard Certified by your local John Deere dealer have been thoroughly inspected with a 100+ point check of all main components and have passed detailed fluid testing and analyses.)

What does the PowerGard Protection Plan cover?[2]

Both comprehensive and limited plans cover mechanical breakdown caused by a defective component, due to faulty materials, or original workmanship.

Comprehensive coverage: Main components of the full machine are covered.

Limited coverage: Main components of the engine and powertrain are covered.

Is there a deductible fee?

All PowerGard Plans for forage harvesters and windrowers, regardless of coverage terms, have the same deductible of $500 per work order.

What coverage terms are available for new self-propelled forage harvesters?

All PowerGard Protection Plans for new, in-warranty units include the underlying basic warranty terms[3] and can be extended to the following maximum coverage terms:

PowerGard™ Protection Plan

Extended warranty protection for John Deere forage harvesters and windrowers

JOHN DEERE

What coverage terms are available for pre-owned forage harvesters and windrowers?

All PowerGard Protection Plans for pre-owned/used units can be extended to the following maximum terms:

Comprehensive (Full Machine) or Limited (Engine & Powertrain) Terms for PowerGard Certified Used Units							
Total Months	12	12	24	24	36	36[5]	36
Total Hours	250	500	500	1,000	750	1,000	1,500

1. To be eligible for PowerGard, pre-owned forage harvesters and windrowers must be PowerGard Certified prior to the sale; be less than seven years from the original dealership invoice and have less than 2,000 engine hours; Used units can be in the dealership inventory at time of sale, or customer-owned machines meeting parameters; and the unit must NOT have any existing PowerGard™ Protection contract on the unit at the time of sale.
2. Maintenance and high-wear items are excluded on all PowerGard Protection Plan coverage forms, in addition to specifically excluded parts or components. Always check the actual PowerGard Protection Plan contract for details, exclusions and limitations.
3. All new John Deere self-propelled forage harvesters and windrowers come with a standard basic warranty of: 12 months/unlimited hours – full machine; and 24 months/2,000 hours – engine (only) coverage.
4. Engine coverage is provided by the John Deere basic engine warranty out to 24 months or 2,000 hours, regardless of the PowerGard Protection Plan purchased (Limited or Comprehensive).
5. Available only for Windrowers.

This brochure is not a contract. All protection plan coverage and benefits described herein are subject to the specific terms, conditions, and exclusions of the actual PowerGard Protection Plan Agreement. In the case of any discrepancies between this document and the Agreement, the Agreement terms prevail. Available in the U.S. and Canada.
