PowerGard™ Protection Plan Residential

Extended warranty protection for your valued machine

JOHN DEERE

It's what keeps you running year after year

You can buy peace of mind afterall. With a **PowerGard Protection Plan Residential**[1] for home and property owners, you can protect your equipment and your budget from unforeseen repair bills and inconvenient breakdowns.

PowerGard provides comprehensive coverage – which includes the main components of your entire machine – for up to four additional years for all new residential equipment and some limited-use commercial equipment:

- Riding lawn equipment
- Zero-turn radius mowers
- Compact/utility tractors
- Gator™ UTVs

See your local John Deere dealer today to learn more, or visit: JohnDeere.com/PowerGard

[1]PowerGard Protection Plan (Residential) is only available to residents in the U.S.

Eligibility

PowerGard Residential is for personal use only and can be purchased while the equipment is still within the manufacturer's warranty.

Flexible Term Lengths

Select in total months and total hours – based on your estimated ownership years and annual usage hours. Up to four years of additional coverage available.

Claims Process

No pre-approval necessary. Call or visit any authorized John Deere dealer for service.

$0 Deductibles and Transportation Allowance

No deductibles apply to covered repairs. A transportation allowance is provided per covered repair visit.

John Deere Parts and Service

Only genuine John Deere parts will be used for covered repair work and service will be completed by a John Deere dealership mechanic.

Transferable Warranty

PowerGard is transferable by the original purchaser to a new machine owner for the balance of the original agreement period.
