JOHN DEERE

Buy with confidence and peace of mind

Now you can purchase a new or pre-owned John Deere compact or utility tractor with more confidence than ever. The PowerGard Protection Plan offers valuable extended warranty coverage to protect you from unforeseen future repair bills and to help you increase overall uptime.

Choose the extended coverage plan that you prefer:

Comprehensive:*
For main components of the full machine.

Limited:*
For main components of the engine and powertrain.

Pre-Owned/Used PowerGard™:*
Provides limited or comprehensive coverage for out-of-warranty customer-owned machines or dealer inventory.

Choose your terms

Select from a variety of flexible term lengths, in total months and total hours. Choose the terms that fit your individual needs, depending on how long you plan to own your tractor and your estimated annual usage hours.

No pre-approval of claims necessary

Call or visit any authorized John Deere dealership for service.

Repaired with genuine John Deere parts

We'll fix it right, using only OEM parts.

Increase the value of your compact or utility tractor when you sell or trade

Any remaining PowerGard coverage is fully transferable to a new owner, with no transfer fee.

Finance at time of machine purchase

PowerGard can be financed along with the purchase of the machine.

Purchase plan at a later date

Options available to add PowerGard after initial machine purchase.

* The PowerGard Protection Plan (Comprehensive, Limited, or Used) does not cover attachments, maintenance, or high-wear items, nor other non-covered components specifically mentioned in the contract terms.

PowerGard™ Protection Plan

Extended warranty protection for John Deere compact and utility tractors

JOHN DEERE

Which compact and utility tractors qualify for the PowerGard Protection Plan?

New tractors: All new John Deere compact and utility tractors qualify. When you buy a new tractor, you can purchase a PowerGard Plan anytime from the date of delivery up to 12 months or 1,000 engine hours, for the lowest possible price. After this interval, you can purchase PowerGard Protection anytime up to 24 months or 2,000 engine hours after the start of the John Deere basic warranty, for a surcharged rate.

(To qualify for the delayed purchase interval at the surcharged rate, tractors must pass the PowerGard Certification inspection.)

PowerGard Certified pre-owned tractors: PowerGard Certified pre-owned tractors in dealer inventory may also be eligible.[1]

(Pre-owned tractors that are PowerGard Certified by your local John Deere dealer have been thoroughly inspected with a 100+ point check of all main components and have passed detailed fluid testing and analyses.)

What does the PowerGard Protection Plan cover?[2]

Both comprehensive and limited plans cover mechanical breakdown caused by a defective component, due to faulty materials, or original workmanship.

Comprehensive coverage: Main components of the full machine are covered.

Limited coverage: Main components of the engine and powertrain are covered.

What will my deductible be?

All PowerGard Plans for compact utility tractors, regardless of coverage terms, have the same low deductible of $100 per work order. All PowerGard plans for 5 Series tractors have a deductible of $250 per work order, while 6 Series Tractors have multiple deductible options.

What coverage terms are available for new tractors?

All PowerGard Protection Plans for new, in-warranty units include the underlying basic warranty terms[3] and can be extended to the following maximum coverage terms:
