Pre-Owned/Used™ Protection Plan

Coverage for out-of-warranty, customer-owned machines and used dealer equipment

JOHN DEERE

You're no longer out of luck when it comes to your out-of-warranty equipment with a Pre-Owned/Used PowerGard Protection Plan[1] from John Deere. Designed to preserve the performance and reliability of aging equipment, PowerGard now provides comprehensive (full machine) and limited (engine and powertrain) coverage on out-of-warranty, customer-owned units. This includes tractors, combines, sprayers, self-propelled forage harvesters, cotton harvesters, and nutrient applicators.

To be eligible for Pre-Owned/Used PowerGard, your out-of-warranty equipment must pass a 100-plus point inspection and fluid sample testing[2] by a John Deere dealer. Customer-owned machines that qualify include:

- **Tractors:** up to 15 years old and up to 5,000 hours
- **Combines & Sprayers:** up to 10 years old and up to 2,000 hours
- **SPFHs, Cotton Harvesters, and Nutrient Applicators:** up to seven years old and up to 2,000 hours

Similarly, Pre-Owned/Used PowerGard Extended Warranty Plans are also available when purchasing used equipment from a John Deere dealer.

Pre-Owned/Used PowerGard[1] offers exceptional benefits, such as:

Peace of mind
Know your machine is in good hands due to the expertise of your local John Deere dealer who will inspect, repair, and fluid sample your unit.

Choose your terms
Select from a variety of flexible term lengths, in total months and total hours. Choose the terms that fit your individual needs, depending on how long you plan to own your machine and your estimated annual usage hours.

No pre-approval of claims necessary
Call or visit any authorized John Deere dealership for service.

Repaired with genuine John Deere parts
We'll fix it right, using only OEM parts.

Increase the value of your machine when you sell or trade
Any remaining PowerGard coverage is fully transferable to a new owner, with no transfer fee.

Multiple coverage terms are available for out-of-warranty, customer-owned equipment and used dealer units as noted in the following chart.
