PowerGard™ Protection Plan

Extended warranty protection for John Deere sprayers and applicators

JOHN DEERE

Buy with confidence and peace of mind

Now you can purchase a new or pre-owned John Deere commercial sprayer or applicator with more confidence than ever. The PowerGard Protection Plan offers valuable extended warranty coverage to protect you from unforeseen future repair bills and to help you increase uptime.

PowerGard offers flexible coverage for new, pre-owned, or customer-owned John Deere sprayers and applicators that are PowerGard certified.

Choose the extended coverage plan that you prefer:

Comprehensive:*

For main components of the full machine.

Limited:*

For main components of the engine and powertrain.

Pre-Owned/Used PowerGard™:*

Provides comprehensive or limited coverage for out-of-warranty, customer-owned machines or dealer inventory.

Choose your terms

Select from a variety of flexible term lengths, in total months and total hours. Choose the terms that fit your individual needs, depending on how long you plan to own your sprayer and your estimated annual usage hours.

No pre-approval of claims necessary

Call or visit any authorized John Deere dealership for service.

Repaired with genuine John Deere parts

We'll fix it right, only using OEM parts.

Increase the value of your sprayer when you sell or trade

Any remaining PowerGard coverage is fully transferable to a new owner, with no transfer fee.

* The PowerGard Protection Plan (Comprehensive, Limited, or Used) does not cover headers, attachments, maintenance, or high-wear items, nor other non-covered components specifically mentioned in the contract terms.

PowerGard™ Protection Plan

Extended warranty protection for John Deere sprayers and applicators

JOHN DEERE

Which sprayers qualify for the PowerGard Protection Plan?

New sprayers: All new John Deere sprayers and applicators qualify. When you buy a new sprayer or applicator, you can purchase a PowerGard plan anytime from the date of delivery up to six months or 250 engine hours for the lowest possible price. After this interval, you can purchase PowerGard Protection anytime up to 12 months or 1,000 engine hours from the date of delivery for a surcharged rate.

Pre-Owned/Used: If you want to buy a Pre-Owned/Used PowerGard Protection Plan for your current sprayer or applicator (or for a used unit purchased at a dealer), you can do so at any time. To be eligible for a Used plan, customer owned sprayer or applicator must be under 10 years old, have less than 2,000 hours, and pass an inspection and fluid analysis.

(Pre-owned sprayer or applicator that are PowerGard Certified by your local John Deere dealer have been thoroughly inspected with a 100+ point check of all main components and have passed detailed fluid testing and analyses. Fluid testing not required on machines under five years and under 1,500 hours.)

What does the PowerGard Protection Plan cover?[1]

Both comprehensive and limited plans cover mechanical breakdown caused by a defective covered component, due to faulty materials, or original workmanship.

Comprehensive coverage: Main components of the full machine are covered.

Limited coverage: Main components of the engine and powertrain are covered.

What will my deductible be?

We have multiple deductible options ranging from $500 to $5,000. This allows you to better match your risk tolerance to plan pricing.

What coverage terms are available for new sprayers/applicators?

1. Maintenance and high-wear items are excluded on all PowerGard Protection Plan coverage forms, in addition to specifically excluded parts or components such as sprayer boom and wet system main component. Always check the actual PowerGard Protection Plan contract for details, exclusions, and limitations.
2. All new John Deere sprayers come with a standard basic warranty of: 12 months/unlimited hours – full machine; and 24 months/2,000 hours – engine (only) coverage.
3. Engine coverage is provided by the John Deere basic engine warranty out to 24 months or 2,000 hours, regardless of the PowerGard Protection Plan purchased (comprehensive or limited).
4. To be eligible for PowerGard, pre-owned sprayers must be PowerGard Certified prior to the sale; be less than ten years from the original dealership invoice; and have less than 2,000 engine hours.

This brochure is not a contract. All protection plan coverage and benefits described herein are subject to the specific terms, conditions, and exclusions of the actual PowerGard Protection Plan Agreement. In the case of any discrepancies between this document and the Agreement, the Agreement terms prevail. Available in the U.S. and Canada.
