PowerGard™ Protection Plan:

Extended warranty protection for John Deere front-end equipment

JOHN DEERE

Buy with confidence and peace of mind

Now you can purchase new John Deere front-end equipment with more confidence than ever. The PowerGard Protection Plan offers valuable extended warranty coverage to protect you from unexpected repair bills.

The Front End Equipment PowerGard Protection Plan* is available for all new cornheads and drapers when purchased during the initial 12-month basic warranty.

What does the PowerGard Protection Plan cover?

Main components of front-end equipment are covered and include either factory-installed or Genuine John Deere parts. **PowerGard Protection Plan is available on MY21 front-end equipment and newer.**

What coverage terms are available for new front-end equipment?

Providing coverage for manufacturing defects in material and workmanship, all PowerGard Protection Plans for new, in-warranty units[1] include the underlying basic warranty terms and can be extended to the maximum coverage terms as noted in chart below:

Choose your terms

Select from a variety of flexible term lengths, in total months and total hours. Choose the terms that fit your individual needs, depending on how long you plan to own your front-end equipment and your estimated annual usage hours.

Low-priced deductibles

Dependent on the plan you choose, deductibles are just $250 or $500 per work order.

No pre-approval of claims necessary

Call or visit any authorized John Deere dealership for service.

Repaired with genuine John Deere parts

Expert dealer technicians will fix it right, with exactly the right John Deere parts to fit your machine.

Increase the value of your front-end equipment when you sell or trade

Any remaining PowerGard coverage is fully transferable to a new owner, with no transfer fee.
